## **Wall of Fame nominations sought**

***Application deadline is March 31, 2011***

Nominations are being accepted for the 2011 Williamsville Wall of Fame Induction. Alumni must have graduated at least 10 years ago (2001 or earlier) to be eligible.

The deadline for Wall of Fame nominations is March 31, 2011.

The Williamsville Education Foundation Inc. sponsors this prestigious recognition program in collaboration with the three district high schools. Selection committees at each school will review all applications and choose the Wall of Fame inductees based on achievement and success in their chosen fields, contribution to humanity, and outstanding service to their community, profession or other good cause.

Nomination forms are available on the District's website at <http://www.williamsvillek12.org/> and the Foundation's website at <http://www.wedf.org/>. Forms can also be requested at the district's communications office by calling 626-8008.

The 2011 inductees will be honored at a breakfast celebration in November 2011. Afterwards, each high school will hold a special assembly honoring the distinguished alumni.

Since the program began in 2000, 75 alumni have been inducted into the Williamsville Wall of Fame. The honorees have included entrepreneurs, musicians, authors, physicians, scientists, professors, government officials, journalists, law enforcement and military officers, all of whom have attained great success in their careers and serve as role models in their communities.
